___ October Craft Bazar

___ Plant Sales

Grapevine Garden Club Volunteer Opportunities

Our Grapevine Garden Club (GGC) was established in 1932 with just a few interested gardeners. We now have over 200 members, and we're all still interested in gardening and learning the newest techniques of maintaining our own gardens. We have many VOLUNTEER OPPORTUNITIES and you will be asked to complete your area of interests to determine our future programs, workshops, and tours. Below are a few activities in which our club participates that might be of interest to you. However, there are many more opportunities found in our yearbook under Committee Job Descriptions.

Awards Applications Chairman (District, State Regional & National). Writes, gathers photographs and submits club projects, yearbook, newsletter etc. for District II, Texas Garden Clubs, and National Garden Club awards, using guidelines from TGC Awards Brochure.

Butterfly-Flutterby (BFFB) : Coordinates with Grapevine Convention and Visitors Bureau. Plans children's craft activities and games and organizes volunteers for this annual festival usually held in October. There is a second committee that organizes the art contest for the GCISD elementary students, organizes volunteers for the judging and then mans the art display at the BFFB festival.

Bulbs Sale – Selects and orders bulbs. Prepares order forms & club announcements for sale, takes bulb orders & payments, prepares orders for delivery to members, typically at club meetings. Recruits volunteers as needed. There are two bulb sale events -Bulbs in the Fall and Caladiums in the Spring. You can volunteer for one or both bulb sales.

Flowercade: Participate in the annual flower show at FW Botanic Garden by helping members prepare plant specimens and flower design entries for judging.

Grapevine (GV)Botanical Gardens Docents: Become a docent for visiting groups to the garden – training will be provided.

Gardens on View – Coordinates tours to gardens of GGC members or friends in local area immediately following the monthly meetings.

Holiday and Spring Luncheons: Assist chairmen by arranging table decorations, sending invitations, and coordinating set-up and clean-up.

Membership Committee is looking for an extra committee member. We greet members & visitors at meetings. Print and take care of name tags and prepares door prize gift bags. The team assists Chairman with preparing announcements and reports, and logging & report membership & participation data on Excel spreadsheets.

Plant Sale: The Spring Plant Sale is the only fundraiser for the club and supports our college scholarship program. We need folks to work as leads and volunteers for heirloom plant digs, wholesale plant shoppers, plant pricing, plant sale advertising, plant cleanup, sale set up, cashiers, plant docents, volunteer hospitality and folks to care for the plants until the day of the sale.

Redbud Tree Project for 3rd Grade GCISD: Assist chairman by distributing Redbud seedlings to students.

Trips and Tours: Personally and/or helps volunteers to coordinate interesting tours, either within the Metroplex or out-of-town trips

Website: Prepare updates for the website and other electronic communication venues.

West Texas Street Project: Provide gardening assistance and beautification for a low-income housing project.

Our club's goal is to have every member participating in their project of interest and expertise. Please complete the attached survey. Email the survey to: membership@grapevinegardenclub.org,
OR mail to: Grapevine Garden Club, P.O. Box 811, Grapevine, TX 76099-0811
OR Bring the form to your first monthly meeting and put it in the basket provided at the front desk.
